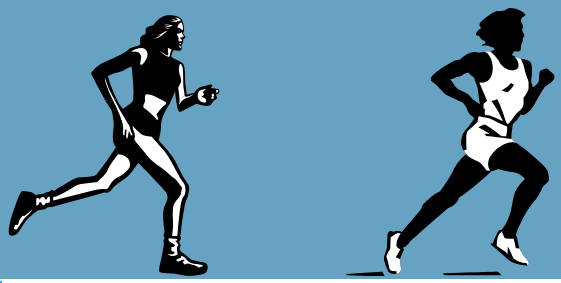
2nd Annual Walk/Run for Kailey

Benefitting the National Niemann Pick Disease Foundation

Sunday, May 4, 2014 at 1:00pm (registration begins at noon)

Clark Middle School ~ 8915 W 93rd Ave. ~ St. John, IN



Help raise money for Niemann-Pick (Type C) Research in honor of 10 year old Schererville, Indiana resident Kailey.

Niemann-Pick Type C (NPC) is a rare, devastating disease. The symptoms of this disease include enlarged spleen and liver, loss of muscle control, deterioration of speech, seizures and dementia, leading to progressive neurological and intellectual decline. Currently there is no cure for this disease.

With your help, the National Niemann-Pick Disease Foundation can advance critical research. Research is our only hope for finding an effective treatment for Kailey and other children affected by NPC

How You Can Help:
